Applied Bolting Technology Products Inc.
802-460-3100 800-552-1999

The instructions above are simplified and may have to be modified for galvanized bolts and DTI's. Consult our detailed installation sheet packed in every keg of DTI's or which is available on our website at http://www.appliedbolting.com/fine_print.html and at http://www.appliedbolting.com/pdf/inst_orig.pdf
