Dear Chris:

I would like to thank you for the fantastic job you did at the 21st Annual Ironworker Instructors Training Program at the University of San Diego. With your participation the conference was extremely successful. Your attendance and assistance were extremely invaluable in helping us reach that goal. We here at the Ironworkers National Training Fund certainly appreciate your assistance and expertise.

We are already planning for next year's program in anticipation of making that event just as successful. I know with your help we will realize our goal once again.

Sincerely yours,
