1413 Rockingham Rd.
Bellows Falls, Vermont 05101

Dear Chris:

Finally getting around to returning the left over t-shirts and wanted to say thanks to you for coming to our Local and giving your presentation.

Due to the small size of our Local and our limited resources many times we are unable to participate in training programs. We really appreciate you working with Harvey to come here and Applied Bolting for absorbing the costs associated with your trip.

I know everyone was extremely impressed with your presentation and that Harvey and I will use the materials and information you presented many times in the future.

Thanks again to you and Applied Bolting for all you have done for us.

Sincerely,

A handwritten signature in cursive script, appearing to read "Charles Whitesell".

Charles Whitesell
Apprenticeship Coordinator
